INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS
LAKE COUNTY FREE CLINIC, INC.

We have audited the accompanying financial statements of Lake County Free Clinic, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lake County Free Clinic, Inc. as of December 31, 2017 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The prior-year summarized comparative information has been derived from Lake County Free Clinic Inc.'s 2016 financial statements and, in our report dated November 1, 2017, we expressed an unmodified opinion on those financial statements.

LAKE COUNTY FREE CLINIC, INC.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

1. ORGANIZATION AND OPERATIONS

Lake County Free Clinic, Inc. ("LCFC") exists to address the unmet health care needs of the residents of our community by providing quality medical and dental care. LCFC was incorporated as an Ohio not-for-profit in 1970.

LCFC's website address is www.lakefreeclinic.org.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**BASIS OF ACCOUNTING**

The financial statements of LCFC have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

BASIS OF PRESENTATION

LCFC is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

COMPARATIVE INFORMATION

The financial statements include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such amounts should be read in conjunction with LCFC's financial statements for the year ended December 31, 2016, from which the summarized comparative total amounts were derived.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

ACCOUNTS AND PLEDGES OR GRANTS RECEIVABLE

Receivables are stated at the amount management expects to collect. Management provides for probable uncollectible amounts through a provision for bad debt expense based on its assessment of the current status of individual receivables. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts. The allowance for doubtful accounts at December 31, 2017 and 2016 was zero.

ADVERTISING COSTS

Advertising costs are expensed as incurred. Advertising expense was \$887 (2017) and \$516 (2016).

TEMPORARILY RESTRICTED FUNDS

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as assets released from restriction. If a restriction is fulfilled in the same time period in which the contribution is received, the contribution is reported as unrestricted.

INCOME TAXES

LCFC is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as a charitable organization. Only unrelated business income is subject to federal income tax. LCFC has no unrelated business income. Accordingly, no provision for income taxes has been recorded.

Accounting principles generally accepted in the United States provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management believes that all of the positions taken by LCFC its federal and state exempt organization tax returns are "more-than-likely-than-not" to be sustained upon examination.

LAKE COUNTY FREE CLINIC, INC.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

LCFC is organized as a nonprofit organization exempt from income tax under 501(c)(3) of the Internal Revenue Code. Income taxes on unrelated business income, if any, are provided at the applicable rates on income for financial reporting purposes.

RECOGNITION OF CONTRIBUTION REVENUE

Contributions received are recorded as unrestricted, temporarily restricted, and permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted net assets are reclassified to unrestricted net assets upon satisfaction of time or purpose restrictions. Permanently restricted net assets, if any, represent endowment funds which are subject to donor restrictions that the contributed principal be invested in perpetuity and only the income be utilized.

LCFC considers all contributions to be unrestricted unless specifically restricted by the donor.

Contributions for the acquisition of long-lived assets are recorded as temporarily restricted contributions. If there are no donor restrictions on the long-lived asset's use, the donor restrictions are considered met once the long-lived assets are acquired and the temporarily restricted net assets are reclassified to the unrestricted net asset class.

RECOGNITION OF FEES FOR SERVICES

Revenue from fees for services is earned as services are provided and is reported at estimated net realizable amounts due from third-party payers and others for services rendered.

CONTRIBUTIONS

All contributions are considered unrestricted unless specifically restricted by the donor and are recorded at the date of the pledge.

PROMISES TO GIVE

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Allowances are provided for uncollectible pledges based on experience.

RECLASSIFICATIONS

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentations in the current year financial statements.

PROPERTY AND EQUIPMENT

Maintenance and repairs are charged to operations and expenditures for renewals and improvements and the fair value of donated fixed assets are capitalized. Provision for depreciation of assets is recorded by a charge against operations at rates which amortize the cost of such assets over their lives computed on the straight line method. The depreciable lives of assets generally are 5 to 10 years.

The cost of assets retired or otherwise disposed of and the related accumulated depreciation has been eliminated from the accounts and any resulting gain or loss is included in the statement of activities.

Depreciation expense for each of the years ended December 31, 2017 and 2016 was \$2,227.

FAIR VALUE MEASUREMENTS

Financial instruments include cash, cash equivalents, short-term and long-term investments, beneficial interests, accounts and pledges receivable, accounts payable, and debt. Cash, cash equivalents, accounts receivable, accounts payable, and debt are recorded at their fair values. Investments and beneficial interests are also reported at fair value.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Those are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received.

LAKE COUNTY FREE CLINIC, INC.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, establish a fair value hierarchy based on the inputs used to measure fair value, and specify disclosure requirements for fair value measurements. This guidance maximizes the use of observable inputs by requiring that observable inputs be used when available.

Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from independent sources. Unobservable inputs reflect assumptions that market participants would use in pricing the asset or liability based on the best information available in the circumstances. The fair value hierarchy is divided into three levels based on the transparency of inputs as follows:

- Level 1 – based on quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 – based on quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 – based to a significant degree on unobservable inputs.

LCFC's short-term investments are classified as Level 1.

LCFC's interest in the cash surrender value of certain life insurance is classified as Level 2.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand and amounts on deposit that can be withdrawn on demand or mature within three months.

CONCENTRATION OF CREDIT RISK

Primarily all of LCFC's revenues and receivables are from individuals, governmental agencies, and foundations located in northeastern Ohio.

LCFC maintains cash and investments in federally insured bank and brokerage accounts that are well established and highly regarded. LCFC has not experienced any losses in these accounts and believes it is not exposed to any significant risk on these balances.

MAJOR FUNDING AND CONCENTRATION OF RISK

Major funding is as disclosed in the Statement of Activities (Page 3).

DONATED MATERIALS AND SERVICES

Contributed goods and services are reflected as both contribution revenue and expenses if they meet the criteria defined in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), "Not-for-Profit Entities," in the accompanying statement of activities at their estimated fair value at date of receipt. The contributions of services are recognized if (a) the services received create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those assets and would typically need to be purchased if not provided. Generally, such services include those of physicians, nurses, clinic receptionists, event organizers, and administrative/professional consultants.

In addition, LCFC receives services from a large number of volunteers who give significant amounts of their time to LCFC's programs, fund raising campaigns and management. No amounts have been reflected for these types of donated services as they do not meet the criteria for recognition.

Donated medical, dental and other professional services have been recorded in the statement of activities in the amount of \$106,315 (2017) and \$102,876 (2016). Donated clinic medication has been recorded in the statement of activities in the amount of \$72,278 (2017) and \$54,405 (2016).

LAKE COUNTY FREE CLINIC, INC.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

USE OF ESTIMATES

To conform with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

COMPENSATED ABSENCES

Employees of LCFC are entitled to paid vacation, sick days, and personal days off depending on job classification, length of service, and other factors. LCFC's policy is to recognize the costs of compensated absences when actually paid to employees. The effect of this method instead of accruing these costs is minimal in 2017 and 2016.

RECENT ACCOUNTING PRONOUNCEMENTS

In August 2016, the FASB issued ASU 2017-14, *Presentation of Financial Statements for Not-for-Profit Entities*. This standard intends to make certain improvements to the current reporting requirements for not-for-profit entities. This standard sets forth changes to net asset classification requirements and the information presented about a not-for-profit entity's liquidity, financial performance and cash flows. ASU 2016-14 is effective for LCFC for reporting periods beginning after December 15, 2017. LCFC is currently evaluating the impact that ASU 2016-14 will have on its financial statements and will adopt the provisions upon the effective date.

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*, which outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance, and requires significantly expanded disclosures about revenue recognition. The core principle of the revenue model is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance in ASU 2015-14, including subsequent amendments, is effective for LCFC for reporting periods beginning after December 15, 2018. LCFC is currently evaluating the impact on the financial statements and the options of adopting using either a full retrospective or a modified approach.

In February 2016, the FASB issued ASU 2017-02, *Leases*. This ASU requires lessees to recognize assets and liabilities on the balance sheet for leases with lease terms greater than twelve months. The recognition, measurement and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. This amends current guidance that requires only capital leases to be recognized on the lessee balance sheet. ASU 2017-02 will also require additional disclosures on the amount, timing and uncertainty of cash flows arising from leases. The guidance is effective for LCFC for reporting periods beginning after December 15, 2019 with early adoption permitted. LCFC is currently evaluating the impact that ASU 2016-02 will have on its financial statements and will adopt the provisions upon the effective date.

SUBSEQUENT EVENTS

In preparing these financial statements, LCFC has evaluated events and transactions for potential recognition or disclosure through January 10, 2019, the date the financial statements were available to be issued.

3. RETIREMENT PLAN

LCFC has an employer contributory pension plan available for all eligible employees under which employees elect to defer a portion of their compensation for federal tax purposes.

LCFC contributions to employee pension plans were \$4,205 (2017) and \$4,067 (2016), respectively.

LAKE COUNTY FREE CLINIC, INC.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

4. SHORT-TERM INVESTMENTS

Short-term investments represent shares of publicly-traded securities are presented at fair market value with a cost of \$6,216 (2017) and \$11,789 (2016).

5. OPERATING LEASE

LCFC has an operating lease for its main facility, expiring January 31, 2021. The minimum future rental commitment under this agreement is as follows is \$27,540 for each of the years 2018-2020 and \$2,295 in 2021.

Rent expense was \$27,540 (2017) and \$27,375 (2016).

6. LINE OF CREDIT

LCFC maintains a line of credit at its bank in the amount of \$50,000. The unsecured line bears interest at 3.030 percentage points above the prime rate (applicable rate of 7.53% at December 31, 2017). The line does not have an expiration date.

LCFC had \$48,500 and \$-0- outstanding on the line at December 31, 2017 and 2016, respectively.

7. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted assets and related activity consist of the following:

		2017

8. SPECIAL EVENTS

Revenue and expenses related to special events are as follows:

	2017	2016
Revenue	\$ 21,612	\$ -
Direct Donor Benefits	(2,857)	-
	<u>\$ 18,755</u>	<u>\$ -</u>

9. PROGRAM SERVICES

Program services provided by LCFC include the following general medical and dental care services:

Chronic Care

Ongoing treatment for chronic diseases including, but not limited to:

- Diabetes
- High blood pressure
- Breathing problems (asthma, emphysema, COPD)
- Thyroid disorders
- Autoimmune disorders
- Depression and mild anxiety

Acute Problems

- Fever
- Sore throats
- Colds and coughs
- Acute sprains and muscle strains
- Bladder infections
- Pink eye
- Rashes

Preventive Care

- Work physicals (not ODOT)
- Pediatric physicals, age 2 and older
- Head Start physicals
- School, sports and camp physicals
- Personal nutrition and physical exercise counseling
- Education on deep breathing and meditation

On-site Lab

- Basic lab work and fulfillment of prescriptions for lab work from other providers.

Vision Screenings

- Vision screenings and referrals to prevent blindness for an eye exam and a free pair of glasses.

Adult Dental Care

- Adult dental care is limited to tooth extractions, exams and basic fillings and referral services.
