Dear Mr. Dauler:

This is in response to your telephone inquiry requesting verification of exempt status for your organization.

Our records indicate that on April 30, 1971, a letter was issued to your organization granting it exemption under section 501(c)(3) of the Internal Revenue Code of 1954. This letter remains in effect.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

Donors may deduct contributions as provided in section 170 of the Code.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We trust this information will be of assistance to you.

Very truly yours,

Everett W. Wray
District Director
